

Western Canadian Baseball League

Regina Red Sox

2022 SEASON

SPONSORSHIP GUIDE

2022

GARY BROTZEL

PRESIDENT, REGINA RED SOX

The Regina Red Sox are looking for your support!

The Regina Red Sox have been a part of the Western Major Baseball League since 2005. The WMBL is considered Canada's Premiere Summer Collegiate Baseball League with teams in Regina, Moose Jaw, Weyburn, Sylvan Lake, Swift Current, Medicine Hat, Edmonton, Lethbridge, Fort McMurray, Brooks and Okotoks. The Red Sox were WMBL Champions in 2011 and 2012 and were runners up in 2015. We have made the playoffs 16 years straight. To be eligible to play in the WCBL all players must be on a current College Baseball Roster. The Red Sox rely on no more than 23 American Players and 17 or more local players to fill our roster each summer. Off the field, we are run as a not-for-profit franchise that, along with our dedicated board of directors and volunteers have three main goals: To provide an entertaining product on and off the field, give back to the Regina athletic community, and to grow the team each season.

2019 was a very exciting year for the Red Sox as we once again reached the league final after posting a very good 41 win 15 loss season (Tops in the WCBL). For the second year in a row we made the League Championship but ended up runners-up!

The 2020 and 2021 season was cancelled due to COVID-19 as well as all our fundraising events. We just concluded an on line 50-50 and a virtual dinner which was successful but we need to find other creative ways to raise funds. We are moving forward as if 2022 will finally be a normal season knowing full well we need to be flexible and deal with the unexpected.

As you can imagine, it takes a lot of resources to transport players to and from Regina as well as bus them around Saskatchewan and Alberta for a full summer as we chase the WCBL Championship. We must outfit all our players in multiple uniforms, as well as ensure they are properly fed and housed throughout the summer. In order to offset

these costs, our team holds multiple fundraisers throughout the year and rely on our crowd support to make our budget. Nevertheless, we are also grateful to have support from the corporate community through our various sponsorship opportunities, which brings us to the reason you have received this package. We'd like to take this opportunity to showcase what our team has to offer your business in the hopes of working together in 2022 and for seasons to come. We assure you won't find a more fun, exciting and rewarding way to get your name out in the community.

Updates for the 2022 season include:

- Staging our second league All Star Game in Okotoks
- Sylvan Lake joined the West Division in 2021
- New Stadium Update: The Red Sox have partnered with Living Skies Sports and Entertainment and have presented a concept drawing for a new 3500 seat state of the art baseball facility. We are proposing the stadium be situated on the Railyards on Dewdney Ave. We are currently in negotiations with the City of Regina and are hopeful for a commitment from the City to move forward on this project.

Please find enclosed our 2022 Sponsorship Package, including our outfield sign and gameday sponsorship packages, which include watching a game from our VIP decks, are all included within the package. Each package is fully customizable to fit your unique business needs and marketing initiatives.

If you are interested in joining our team as corporate partner for the 2022 season, please contact me at gbrotzel@reginaredsox.ca. Our marketing packages can also be viewed on www.reginaredsox.com

Thank you for your consideration and hope to see you at the ballpark in 2022.
